

Fork Mounted Sweeper

Fork Mounted Sweepers - This accessory actually makes industrial sweeping jobs a lot easier to do. The versatile lift truck mounted broom is intended for use with either wet or dry material clean ups. It could push snow and squeegee water with ease. This particular accessory is frequently used to be able to clean garbage from construction sites, docks, parking lots, warehouses and almost everywhere it is needed. The forklift sweeper is a low maintenance accessory which uses quick-tite fork products to easily connect to the lift truck.
