

## **Lull Telehandler Part**

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement accuracy ever since nineteen fifty nine. The Lull telehandler can really help make the work easier and faster, whether the job requires positioning heavy steel, landing loads on scaffolding or transferring loads. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull can supply eighty inches of boom travel for precision placement functionality. There are even lots of optional Lull accessories for their telehandlers in order to help finish whichever work.
