

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to offering new design concepts and top quality to be able to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy offering products that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

When required, the personnel within TREK and its numerous dealer members in both technical support and parts will be accessible. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment working and ready day after day is top priority. The company's top of the line technology delivers reliable equipment that eventually reduces your cleaning expense. The service, the product and the price all work as one to make them the leader in the business.
